 - 2.2.6. Direct debit/Standing Order;
 - 2.2.7. Deposit;
 - 2.2.8. Payroll project.
 - 2.2.9. E-mail Banking service;
- 2.3. For receiving particular services/products outlined in the present agreement the client addresses the bank with respective written application (or uses other form determined by the present agreement) by which it confirms that is familiar with all details of the present agreement, agrees and accepts them. In the event the client does not use any of the bank products/services, relevant clause(s) of the indicated product/service shall not be applicable to the client. Relevant terms shall be exercised upon granting the right to use particular bank products/services;
- 2.4. After reviewing the application of the client the bank decides whether to provide relevant service to the client or not;
- 2.5. The Bank is authorized to refuse to provide a service to a client without providing grounds for the refusal (unless it is otherwise established by effective legislation);

- 2.6. The bank is authorized to request submission of the additional information and/or documents from the client for the purpose to make a decision. Filling the application by the client, also submission of the additional documents to the bank does not obligate the bank to provide any of the services to the client envisaged by the present agreement.
- 2.7. After adoption of the decision envisaged by clause 2.4 of the present agreement, the parties, upon the request of the bank, may process other supplementary agreements/covenants which shall be the inseparable part of this agreement and which shall determine individual terms of the particular bank product/service as well as additional rights and obligations of the parties;
- 2.8. Terms of the present agreement are applicable to each bank product/service and/or any agreement/covenant processed on the basis/in the scope of the present agreement, taking into account specific features existing for the relevant bank product/services and/or those determined by the individual agreement/covenant.
- 2.9. Agreements/covenants processed with regard to bank products/services, statements and annexes represent inseparable part of the present agreement. In case of discrepancy (discrepancy implies mutually exclusive provisions and does not mean those complementing each other) between the present agreement and particular agreement/covenant/annex processed on its basis, the priority shall be given to the particular agreement/covenant/annex dealing with the matters which are regulated by such agreement/covenant.
- 2.10. Approval/application issued by the client/authorized representative by means of remote bank service on bank product/service and/or agreement/covenant terms, also the order issued to the bank through the remote media, is equaled to the signature of the client to the relevant agreement/covenant/order and such statement/agreement/covenant/order shall be deemed as legally binding as of the moment of receiving approval from the client/authorized representative via remote bank services by the bank. Furthermore, the client acknowledges that the bank may need to make several operations to perform the order of the client received via remote banking service on which the client expresses the prior consent.
- 2.11. The bank and the client are authorized to process any agreement on use/servicing of such bank products which are not envisaged by the present agreement.
- 2.12. The National Bank of Georgia represents the supervisory body of the Bank, address of which is Tbilisi, Georgia, Sanapiro Str. N2, and also, the web page of which is www.nbg.gov.ge.
- 2.13. The National Bank of Georgia is not responsible for the undue performance of obligations undertaken by the Bank.

3. Tariffs

- 3.1. For the use of the bank products/services outlined in the present agreement, the client is obliged to pay the bank commission/service fee, the amount of which is determined consistent with the tariffs established by the bank by the time of performing operation and/or providing service and/or according to the individual tariffs determined by the bank.
- 3.2. Information on established tariffs and payment regulations is provided at the web page of the bank www.pashabank.ge and represents inseparable part of the present agreement. Furthermore, the client is obliged, prior to exercising banking operation, to become familiar with the tariffs established for relevant operations/services at the branches/service centers of the bank and/or at the web-page. In the event of suspension or termination of the operation by the bank upon the request of the client, also, in case of termination of any of services by the bank to the client, the service fee paid to the bank shall not be reimbursed to the client.
- 3.3. The bank is authorized to change the effective tariffs and their payment regulations unilaterally about which the client shall be preliminarily informed as per regulations set forth in the present agreement.

4. Providing Bank Account Services

4.1. Opening the Bank Account

- 4.1.1. For performing the banking operations determined by the present agreement and for use of bank products, the bank opens the account(s) to the client. The latter may use one or several bank accounts.
- 4.1.2. The accounts are opened on the basis of submission of the application and document(s) by the client as established by the legislation and requested by the bank, for authenticity of which the client is responsible. Furthermore, the bank is

entitled to request additional information at any time. Submission of the additional information does not generate the obligation of the bank to open an account to the client and to provide relevant service.

- 4.1.3. Consistent with the regulations and procedures established by the bank, account(s) may be opened on the basis of remotely processed application, in case the client already has an account at the bank.

- 4.2.4. The time of receiving the payment order is the moment when the bank receives the payment order despite whether it is initiated by the client or the recipient.
- 4.2.5. After the operational day ends, payment orders received by the bank from the client shall be considered as received on the following banking day which does not represent the constraint to the bank to perform payment order on the day of its submission.
- 4.2.6. Partial execution of the payment order is not acceptable.
- 4.2.7. For the purpose to perform payment operation, expression of consent by the client is required, which means signing the payment order by the client or expression of consent by means of the remote banking service (giving the order to perform bank operation to the bank through the internet bank and/or other means or performance of respective operation by the client is deemed as the payment order). By expressing the approval of the respective payment order, the client confirms the accuracy of the data provided in the payment order and full compliance of the order issued to the bank with his/her own will, for which the client shall be accountable.
- 4.2.8. The client is entitled to cancel the payment order issued to the bank in case the transfer has not been effected yet (which means write-off of the amount from the account of the client) and this does not contradict to the commitment for which it has been issued or to Georgian legislation.
- 4.2.9. The client is informed that in case the bank marks the payment order as "payment order is not subject to cancellation or request by the payer" the client is not authorized to request the payment order.
- 4.2.10. The client shall be informed on receipt, rejection and/or impossibility of performance of the payment order by the bank in a form/manner determined by the bank.
- 4.2.11. The bank is entitled to reject order and/or refuse to perform the order, if:
 - 4.2.11.1. Full identification of the client/provider of the order is not possible;
 - 4.2.11.2. The order does not conform with the requirements set forth by the legislation and/or bank regulations and procedures;
 - 4.2.11.3. The order contains inaccurate information/data;
 - 4.2.11.4. The amount existing at the account for performance of the order, including commission fee, is not sufficient to perform the order and/or the amount indicated in the order exceeds the limits established by the bank. Furthermore, the parties agree that the bank is authorized to perform the payment order initiated by the client within the limits of permitted overdraft, in case there is relevant balance available;
 - 4.2.11.5. The bank suspects about the attempt of performing illegitimate transaction;
 - 4.2.11.6. Funds existing on the account are subject to public law restriction;
 - 4.2.11.7. The indicated is envisaged by the legislation or the client has any kind of monetary liability owed to the bank;

- 4.2.11.8. If there is any other shortcoming/circumstance which makes it impossible to perform the order.
- 4.2.12. Rejected payment order shall not be deemed as accepted for the purposes set forth in clause 4.2.4 and Article 13 of the present agreement.
- 4.2.13. Payment order, for the purpose of its due performance, should include requisites determined by Georgian legislation. Furthermore, electronic payment order, other than legislative requirements, may include other supplementary requisites established by the bank.
- 4.2.14. The bank is authorized to exercise non-accepted debiting of amounts from the client's account in the following cases:
- 4.2.14.1. To recover any due payment, any bank service fee and/or penalty/fine owed to the bank;
- 4.2.14.2. To perform the credit liabilities or arrears owed to the bank. Furthermore, the client acknowledges that the bank is not obliged to write-off amounts without the order of the client for the purpose to cover the arrears of the client;
- 4.2.14.3. To recover amount(s) transferred by mistake and/or suspicious amount(s) in violation of the requirements of the legislation;
- 4.2.14.4. In occasions envisaged by the effective legislation and/or agreement, covenant and/or other document processed between the client and the bank (for example: bail, collection order);
- 4.2.14.5. In case of the collection order, for the purpose to cover the collection order, the bank is obliged, in case there is no sufficient amount of collection order currency on the account, without consent of the client, to convert the currency from the other account(s) of the client in the currency of the collection order, at the exchange rate established by the National Bank by the date of payment. Commission fee for performance of the collection order (transfer commission fee, conversion commission fee) is determined by the tariffs established by the bank.
- 4.2.15. If there is any kind of public law restriction registered to the name of the client at the bank and at the same time the client uses overdraft and/or the credit card, public law restriction shall apply to the amount which is placed at respective overdraft and/or credit card account, after registering the public law restriction.
- 4.2.16. If the amount payable as determined by clause 4.2.14 (other than clause 4.2.14.5) and the amount accrued at the account are in different currencies, the bank shall make a conversion at the commercial exchange rate existing at the bank on the date of payment and shall exercise non-accepted write-off of the cost of conversion (if any) service from the account of the client.

- 5.5.1.3. It was disclosed that illegitimate transactions had been performed with the card. Also the information evidencing illegitimate use of the card has been received from the international payment system;
- 5.5.1.4. The scope of the operation exceeds the money withdrawal or settlement limits established for the client’s card or the operation contradicts to the regulations established by the present or international payment system;
- 5.5.1.5. Any of the terms stipulated by the present agreement or card usage regulations have been breached by the card holder.
- 5.5.2. In case of entering PIN code incorrectly in the ATM 3 times the card is automatically blocked due to expiration of daily limit of attempting to enter PIN code.
- 5.5.3. The card can be suspended in case the card holder wishes or if the card is lost or stolen. The card holder shall, in the event of loss or stealing of a card/card data, mobile, accessories or obtaining information on unauthorized transaction, loss of the card or stealing, immediately notify the bank in writing or by telephone (+995 322) 265 000. On the other hand, the bank is obliged to ensure suspension of the card, by entering the card data, with the respective method determined by the card holder:

- a. In the local stop-list which shall allow blocking of the card in maximum 1 (one) banking day only for the transactions authorized by the bank;
 - b. In the international stop list, which shall allow blocking of the card in the international payment system within maximum 14 (fourteen) banking days.
- 5.5.4. In case of notifying the bank about the card suspension by means of the telephone, the client is obliged, no later than the following banking day, to submit written application to the bank or by means of the internet bank submit an application on losing/stealing the card by indicating relevant type of the stop-list (local, international). Otherwise the bank is authorized to remove the card from the international stop-list and consequently the client shall be responsible for any non-sanctioned transaction made on the card account.
- 5.5.5. The bank, at the expense of the client, shall ensure entering the card in the stop-list referred to in the application. The card holder is obliged to pay the commission fee for entering the card in the international stop-list.
- 5.5.6. For any transaction performed prior to exercising action set forth in clause 5.5.3 of the present agreement, the client shall bear responsibility.
- 5.5.7. The bank is authorized to close the card account:
- 5.5.7.1. In case the bank cancels the bank product, about which it shall notify the client.
- 5.5.7.2. In cases envisaged by clause 5.5.1 of the present agreement and/or other clauses of the agreement.

5¹. Digital wallet and digital card services

5^{1.1} Apple Wallet

5^{1.1.1} The present chapter regulates rules and terms on adding cards emitted by the bank to Apple Wallet and terms on making settlements with the added cards by the client and/or by the additional cardholder;

5^{1.1.2} Terms used in the present chapter shall have the following meanings:

5^{1.1.2.1} **Apple** – legal entity registered in the USA (Apple Inc. www.apple.com) which manufactures and sells various electronic devices by means of which, the client/additional card holder has the capability to use Apple Wallet and make settlements with the card.

5^{1.1.2.2} **Apple Pay /Apple Wallet / electronic wallet** – mobile/digital payment system/service/application created by Apple and integrated in Apple devices. Apple Pay/Apple Wallet, using the added cards, allows the customer to make contactless payments or withdraw cash from ATM.

5^{1.1.2.3} **Apple device/device** – devices manufactured by Apple - iPhone, Apple Watch, iPad, MacBook and/or any other device, in which Apple Pay/Apple Wallet is integrated.

5^{1.1.2.4} **Authentication** – process, which requires using the authentication data for the purposes of making payments/transactions by the added card in the Apple Wallet.

5^{1.1.2.5} **Authentication data** – fingerprint of the client (Touch ID), face ID or Passcode, one of which should be used for using Apple Wallet while making transactions and have to be entered by the client or the additional card holder prior to each transaction. Client/additional card holder acknowledges that the bank does not have access to such data, furthermore, entering/using authentication data by the client or additional card holder is deemed as confirmation of the payment transaction. Those data which are added to the device as the authentication data but do not belong to the client or to the additional card holder are assumed as payment transaction confirmation too (among them payment by the client/additional card holder or withdrawal).

5^{1.1.3} Terms on adding cards to the Apple Wallet

5^{1.1.3.1} The client or the additional card holder is authorized to include/add his/her card to its own Apple device, provided that:

5^{1.1.3.1.1} The client or additional card holder is identified by the bank in a due manner;

5^{1.1.3.1.2} There is no restriction to the card and/or card account that is being added to Apple Wallet, which excludes possibility on making payments with the electronic wallet and/or cash withdrawal;

5^{1.1.3.2} When adding card to the Apple Wallet, the client or additional card holder undergoes verification, which can be done through one of the following methods, in particular:

- 5¹.1.3.2.1 Card may be added to the Apple Wallet by using one time verification code, which is sent to the client or additional cardholder to their registered mobile number and by filling such code in the system while adding the card to the Apple Wallet.
- 5¹.1.3.2.2 Card may be added to the Apple Wallet with help of the Contact Centre, but only in case if the client/additional cardholder is properly verified as per terms established.
- 5¹.1.3.3 After the client/additional card holder successfully adds card/additional card to the Apple Wallet – he/she will be authorized to make transactions using card accounts. Both, contactless payments and cash withdrawal is permitted using card added to Apple Wallet, in particular:
- 5¹.1.3.3.1 Contactless payments can be made using one of the authentication data and by placing the Apple device close to the contactless payment terminal. Contactless payment using authentication data is possible through applications and web pages with Apple Pay logo as well. In addition, the client understands that when making settlements through Apple Wallet, card pin code is not required.
- 5¹.1.3.3.2 By using Apple Wallet and one of the authentication data, it is possible to withdraw cash by placing Apple device close to the ATM (if the ATM has contactless connection system) and by entering card's pin code.
- 5¹.1.3.4 It is possible to add several cards to one device, also it is possible to add the same card in the various devices. Furthermore, the client/additional card holder acknowledges that the bank and/or the Apple, are authorized to restrict the number of cards to be added to single device, as well as the number of devices, to which one and the same card can be added. The client/additional card holder may become familiar with the restrictions imposed by the Apple at the web page www.apple.com, information on restrictions imposed by the bank are available at the bank's web page – www.pashabank.ge or at the bank's contact center number (+995 322) 265 000.
- 5¹.1.3.5 The client acknowledges that he/she can delete the card from Apple Wallet at any time. Also, it is possible to block the card added to Apple Wallet without blocking the card itself (without blocking the possibility of payment out of the scope of Apple Wallet), for which, the client may address the Bank's branches and/or call bank's contact center number (+995 322) 265 000.
- 5¹.1.3.6 The client acknowledges that only the information about transactions made through the Apple Wallet are available in the Apple Wallet. Furthermore, while using Apple Wallet the client may not see remaining balances on the proper accounts or full information on transactions made using his/her card. Detailed information regarding the transactions is available at the mobile bank and internet banking (address: www.pashaonline.ge), for receiving statement, the client may address bank branches and/or call the Bank's Contact Center at number (+995 322) 265 000.
- 5¹.1.3.7 The client acknowledges that he/she may receive notifications on transactions made through the Apple Wallet from the Apple Wallet (push notifications) as well as from the Bank.

5¹.1.4 Rights and Obligations of the Parties

- 5¹.1.4.1 Client/additional card holder must regularly become familiar and observe terms on use and safety of Apple Wallet developed by the Bank and Apple do not share device passcode with the third parties and/or add data of third parties to the device as an authentication data and in such case, must promptly delete added data and/or change the passcode/password. For the purposes of this clause, the client and the additional card holder additionally acknowledge that any third party will be able to make payments through their Apple Wallet if such person has the access to Apple device, has the passcode and/or his/her data (Touch ID/Face ID) are added to the device as authentication data. Sharing passcode/password with the third parties and/or adding third parties' data as authentication data – may be detrimental to the card holder.
- 5¹.1.4.2 When adding a card to the Apple Wallet, the client/additional card holder must ensure that:
- 5¹.1.4.2.1 Card use is only possible by using authentication data of the card holder himself/herself (the person to whom the card is registered at the bank);
- 5¹.1.4.2.2 Device is available only for the card holder;
- 5¹.1.4.2.3 Password (passcode) which allows access to device and making further settlements with the electronic wallet:
- 5¹.1.4.2.3.1 Is not shared and/or otherwise become available in any form to the third parties;
- 5¹.1.4.2.3.2 Is stored confidentially;

- 5¹.1.4.2.3.3 A complex password is used, which is impossible to detect or is not easily detected and/or guessed;
- 5¹.1.4.2.4 Device is not left unattended and/or unlocked;
- 5¹.1.4.3 The client/additional card holder must:
- 5¹.1.4.3.1 Promptly notify the bank on loss/theft of Apple device(s);
- 5¹.1.4.3.2 Promptly notify the bank on doubt if the customer believes that his/her device and/or card data entered in the electronic devices have been compromised by unauthorized person.
- 5¹.1.4.3.3 Promptly notify the bank on unexpected termination in the Apple device servicing which raises doubts;
- 5¹.1.4.3.4 Delete the card from Apple Wallet and card associated data, if transferring ownership on the device in which the card is added to the third parties or transferring only for temporary use
- 5¹.1.4.4 Based on the information received from the client/ requested by the client and/or at own discretion (following banks' regulations and procedures) consistent with the card servicing regulations stipulated by the present agreement and the requirements envisaged by the present clause, the bank is authorized/obliged to block the card, additional card, card account and/or restrict the opportunity of making payments with the card added to Apple Wallet, if:
- 5¹.1.4.4.1 The bank has a reasonable doubt regarding fraud, the request of the client is submitted and/or the client has notified the bank on one of the circumstances outlined in clause 5¹.1.4.3;
- 5¹.1.4.4.2 The client/additional card holder, when using Apple Wallet, breaches any of the terms established by the Apple regulations and the present agreement;
- 5¹.1.4.4.3 The card/additional card and/or card account is blocked, validity of card/additional card is suspended and/or their effective term expires;
- 5¹.1.4.4.4 Request of the Apple and/or respective payment system is submitted;
- 5¹.1.4.4.5 Agreement between the bank and Apple is terminated regarding the electronic wallet servicing;
- 5¹.1.4.4.6 Other circumstances envisaged by the legislation occur;
- 5¹.1.5 Collection of information and security**
- 5¹.1.5.1 Client acknowledges and confirms that the bank is authorized to share to Apple client's/additional card holder's personal information stored at the bank to the extent necessary for proper use of Apple Wallet, provided that, the confidentiality of shared information shall be observed.
- 5¹.1.5.2 Client acknowledges and confirms that the bank is authorized to collect and process information associated with the client's device (including but not limited to used application, devices, device model, device's operative system, IP address and etc.) for the purposes of providing proper services (making settlements as established etc.), to protect the client/additional card holder from loss of data, fraud and/or any other risks. Also, for purposes mentioned and in a due capacity, the bank is authorized to exchange information with Apple, provided that the confidentiality of such information will be guaranteed.
- 5¹.1.6 Other terms**
- 5¹.1.6.1 Client acknowledges that the bank is not responsible for malfunctioning of Apple device and/or Apple Wallet and the liabilities of the bank are limited to providing respective information to Apple, unless the cause of above indicated malfunctioning is not attributed to the bank.
- 5¹.1.6.2 The bank is not responsible for the damages/loss incurred to the client as a result of use of Apple Wallet, if it is caused by the unlawful actions of the client, breach of the terms of the present agreement and/or terms and conditions of the Apple.
- 5¹.1.6.3 When making settlements with the card added to Apple Wallet – the bank may impose additional commission fee(s), furthermore, the client envisages that the service commission fee(s) may also be imposed by the client's mobile operators (SMS notification cost etc.) and/or by Apple itself, which are determined independently from the bank and the bank does not make decision in this regard.
- 5¹.1.6.4 Client/additional card holder acknowledges that, consistent with the context, terms and conditions established by the present agreement on use of bank accounts (card account(s)) and cards are fully applicable to the transactions performed by the card added to the Apple Wallet and Apple Wallet transactions (among them cash withdrawal at ATM using

Apple Wallet). In case of inconsistency with the terms set forth in the present chapter and the terms on use of bank accounts and cards, the terms established by the present chapter shall prevail.

5¹.1.6.5 The client acknowledges that he/she has become familiar with terms and conditions, including terms on confidentiality set by the Apple at the web-page - <https://support.apple.com/apple-pay>.

* Apple and Apple Pay, also any other product of Apple, are registered trademarks of Apple in USA and in the other countries. Information on registered trademarks of Apple is available at web-page - <https://www.apple.com/legal/intellectual-property/trademark/appletmlist.html>.

5¹.2. Services with Google Wallet

5¹.2.1. This chapter regulates the terms and conditions of adding bank-issued cards to Google Wallet by the client and/or additional card holder and making payments with the added cards.

5¹.2.2 **The terms used in this chapter have the following meaning:**

5¹.2.2.1 **Google** - a legal entity registered in the United States of America (Google LLC, www.google.com), which provides technical support for various electronic devices and through which the client/additional cardholder has the opportunity to use Google Wallet and make card payments.

5¹.2.2.2 **Google Pay /Google Wallet / Electronic Wallet** - a mobile/digital payment system/service/application developed by Google and integrated into Android devices. Google Pay / Google Wallet, using the cards added to it, allows the user to make contactless payments or withdraw money from an ATM (if the ATM supports contactless payment).

5¹.2.2.3 **Google device/device** - devices manufactured by Google and/or any other device in which Google Pay/Google Wallet is integrated and/or can be recorded.

5¹.2.2.4 **Authentication** - the process that requires the use of authentication data by the client in order to enable payment with the card added to Google Wallet.

5¹.2.2.5 **Authentication data** - the customer's fingerprint (Touch ID), face image (Face ID) or passcode (Passcode), the use of one of which is necessary to carry out a transaction when using Google Wallet, and which the customer or additional cardholder is required to enter each Before making a transaction. The client/additional cardholder assumes that the bank does not have access to this data, and the entry/use of authentication data by the client or additional cardholder is considered as confirmation of the payment operation. Data added to the device as authentication data, but not belonging to the client or additional cardholder, are also considered as confirmation of a payment operation (including a payment or cashout operation by the client/additional cardholder).

5¹.2.3 Terms and conditions for adding a card to Google Wallet

5¹.2.3.1 The customer or additional card holder is entitled to activate/add his/her card to his/her own Google device and/or device that supports Google Pay/Google Wallet, provided that:

5¹.2.3.1.1 The client or additional card holder is identified by the bank in a proper manner;

5¹.2.3.1.2 there are no restrictions of any kind registered on the card and/or card account that is added to Google Wallet, which would prevent making payments and/or cashing out with the electronic wallet;

5¹.2.3.2 When adding a card to Google Wallet, the customer or additional cardholder undergoes verification, which can be performed using one of the following methods, namely:

5¹.2.3.2.1 The card can be added to the electronic wallet using a one-time verification code, which is provided to the client or additional card holder on the mobile phone number registered in the bank and which must be entered by the client or additional card holder when adding the card to the electronic wallet;5¹.2.3.2.2 The card can be added to the electronic wallet with the help of the bank's contact center and only if the user passes the established verification procedure in a proper manner;

5¹.2.3.3 Once the Customer/Add-on Cardholder has successfully added the Card/Add-on Card to Google Wallet - he/she will be authorized to conduct transactions using the Card Accounts. Using the card added to Google Wallet, it is possible to carry out contactless transactions, namely:

5¹.2.3.3.1 Contactless payment can be made by using one of the authentication credentials and placing a Google device and/or a device that supports Google Pay/Google Wallet near the contactless payment terminal. Contactless payment using one of the authentication data can also be made in applications and websites that display the Google Pay logo. In addition,

the Customer agrees that the card's PIN code will not be requested when paying with Google Wallet, unless the terminal configuration may require the use of a PIN code.

- 5¹.2.3.3.2 Using Google Wallet and one of the authentication credentials, it is possible to withdraw money by placing a Google device and/or a device that supports Google Pay/Google Wallet with an ATM (if the ATM has contactless payment functionality) and by entering the PIN code of the card.
- 5¹.2.3.4 It is allowed to add several different cards to one device, and it is also allowed to add the same card to different devices. However, the Customer/Additional Cardholder acknowledges that both the Bank and Google have the right to limit the number of cards that can be added to a single device, as well as the number of devices to which the same card can be added. The client/additional card holder can learn about the restrictions imposed by Google and other necessary information on the website - <https://support.google.com/googlepay?hl=en#topic=12369512> , and information about the restrictions imposed by the bank can be obtained On the bank's website - www.rebank.ge or in the bank's contact center at (+995 32) 222 25 25.
- 5¹.2.3.5 The Client acknowledges that it is possible to delete the Card from Google Wallet at any time. It is also possible to block the digital card (DPAN) added to Google Wallet, so that the physical card (FPAN) is not blocked (the ability to make payments outside of Google Wallet is not blocked), for which the client can apply to the bank branches and/or contact the bank's contact to the center at (+995 32) 222 25 25.
- 5¹.2.3.6 The customer considers that in Google Wallet it is possible to receive information about transactions carried out with Google Wallet. However, when using Google Wallet, the client will not be able to see complete information about the transactions made with his card and the balances on the card accounts. The client can see detailed information about the transactions carried out in the mobile and internet bank (address - <https://www.pashaonline.ge/>), contact the bank's branches and/or contact the bank's contact center at (+995 32) 222 25 25 to get a statement.
- 5¹.2.3.7 The customer considers that he may receive automatic notifications generated by Google Wallet itself (so-called push notifications), as well as notifications from the bank, about the transactions carried out with Google Wallet.

5¹.2.4 Rights and Obligations of the Parties

- 5¹.2.4.1 The client/additional cardholder is obliged to regularly familiarize himself with and follow the rules for using Google Wallet developed by the bank and Google, as well as not to allow the passcode of the device to be transferred to third parties and/or to add third party data to the device as authentication data. and, if any, is obliged to immediately delete the added data and/or change the passcode/password. For purposes of this clause, the Customer and Additional Cardholder - further acknowledge that any third party will be able to make their Google Wallet payments if said person has access to a device that supports Google Pay/Google Wallet, a passcode is obtained and/or If its data (Touch ID/Face ID) is also added to the device as authentication data. Sharing the passcode/password to a third party and/or adding the third party's data as authentication data may harm the cardholder.
- 5¹.2.4.2 When adding a Card to Google Wallet, the Customer/Additional Cardholder shall ensure that:
 - 5¹.2.4.2.1 when using the electronic wallet, payment should be possible only using the authentication data of the cardholder (the person in whose name the card is registered in the bank);
 - 5¹.2.4.2.2 the device is accessible only to the cardholder;
 - 5¹.2.4.2.3 The password (passcode) with which it is possible to access the device and subsequently pay with the electronic wallet:
 - 5¹.2.4.2.3.1 not to share and/or make it available to third parties in any other way;
 - 5¹.2.4.2.3.2 to keep confidential;
 - 5¹.2.4.2.3.3 must be complex, which will be difficult and/or impossible to guess and/or calculate;
 - 5¹.2.4.2.4 not to leave the device unattended, including not to leave it unlocked;
 - 5¹.2.4.3 The client/additional card holder is obliged to:
 - 5¹.2.4.3.1 immediately inform the Bank about the loss and/or theft of the Google device and/or the device that supports Google Pay/Google Wallet;
 - 5¹.2.4.3.2 to immediately inform the Bank about the occurrence of suspicion, if the user believes that an unauthorized person has accessed his device and/or the card data entered in the electronic device.
 - 5¹.2.4.3.3 immediately notify the Bank of any unexpected interruption in the service of the Google device, which may give rise to suspicion;
 - 5¹.2.4.3.4 to delete the card and card-related data from Google Wallet, if it gives third parties temporary use and/or ownership of the device in which such card is added.

- 5¹.2.4.4 Based on the information received from the client/at the client's request and/or at its own discretion (in accordance with the bank's rules and procedures), in accordance with the rules established by this agreement on card services and the requirements stipulated in this clause, the bank is authorized/obliged to block the card, additional card, card account or /and limit the ability to pay with a card added to Google Wallet if:
 - 5¹.2.4.4.1 the Bank has a reasonable suspicion of fraud, the client's request has been submitted and/or the client has informed the Bank about one of the circumstances established by clause 5¹.2.4.3;
 - 5¹.2.4.4.2 the customer/additional cardholder, while using Google Wallet, violates any of the requirements/conditions established by this Agreement and the rules defined by Google;
 - 5¹.2.4.4.3 the card/additional card and/or card account will be blocked, the operation of the card/additional card will be suspended and/or their validity period will expire;
 - 5¹.2.4.4.4 a request to Google and/or the relevant payment system is submitted;
 - 5¹.2.4.4.5 the agreement signed between the bank and Google on electronic wallet service will be terminated;
 - 5¹.2.4.4.6 other cases defined by legislation will occur;

5¹.2.5 Information Collection and Security

- 5¹.2.5.1 The client acknowledges and confirms that the bank is authorized to transfer to Google the personal information about the client/additional card holder stored in the bank to the extent necessary for proper use of Google Wallet, provided that the confidentiality of the transmitted information will be preserved (transmitted information may include - information about transactions, indicating the time, place, volume and other details, personal information of the user - name, surname and other identification data and other necessary information that is necessary to provide a full-fledged service). The Bank is also authorized to receive and process from Google the data to which access is necessary to provide a full-fledged service and to fulfill the requirements established by law (information acceptable to the Bank may include - technical data of the device, scope of access, contact information, location of Internet access, IP address and other information necessary for full use of Google Pay/Google Wallet).
- 5¹.2.5.2 The client considers and confirms that the bank is authorized to collect and process information related to the client's device (including but not limited to the used application, device, device model, device operating system, IP address, etc.) for the provision of full-value services (payments) due process and others), for the purpose of protecting the customer/additional cardholder from data loss, fraud and/or any other risks. Also, for the mentioned purposes and to the appropriate extent, the Bank is authorized to exchange information with Google, provided that the confidentiality of the information will be protected.

5¹.2.6 Other Terms

- 5¹.2.6.1 The Client acknowledges that the Bank is not responsible for the improper functioning and/or malfunction of the Google device, the device that supports Google Pay/Google Wallet and/or Google Wallet, and the Bank's obligations are limited to the information relevant to Google. by delivery, if the said malfunction is not caused by the bank;
- 5¹.2.6.2 The Bank is not responsible for the damage/loss caused to the client using Google Wallet, if it is the result of the said client's unfair action, violation of the terms defined in this agreement and/or Google's terms and conditions.
- 5¹.2.6.3 When paying with a card added to Google Wallet - the bank may impose additional fee(s), however, the customer considers that the service fee(s) may be charged by the customer's mobile operators (cost of SMS messages or others) and/or by Google itself which are determined independently by the bank, and the bank does not make a decision in this regard.
- 5¹.2.6.4 The customer/additional cardholder acknowledges that, in accordance with the context, the card added to the Google e-wallet (card account(s)) and the transactions carried out with Google Wallet (including withdrawals using it at an ATM) are fully covered by the same agreement Established rules and conditions regarding bank account services and card services. In case of inconsistency between the rules established by this chapter and the rules of bank account and card services, the rules established by this chapter shall prevail.
- 5¹.2.6.5 The customer assumes that he is familiar with the terms and conditions established by Google, as well as the privacy protection conditions available on the web pages - https://payments.google.com/payments/apis-secure/get_legal_document?ldo=0&ldt=privacynotice&ldl=en-GB .

List of bank transactions and/or action(s) exercised by means of the internet banking and the performance regulations are provided in the guidelines for using internet banking, posted at the official web page of the internet banking www.pashaonline.ge and represent inseparable part of the present agreement.
- 6.1.2. For the purpose of using the internet banking, the client shall submit to the bank the application or relevant consent, along with the application on opening the account, to activate the internet banking service.
- 6.1.3. The client acknowledges and confirms that any notification/order (whether payment order or other) sent to the bank by means of the internet banking, any application/request (on opening/closing the account and/or pre-paying the credit, cancelling registered service/products and/or making amendments thereto, receiving (approving) the bank product (among them credit/deposit) offered by the bank, amending the client's data and any other statements/requests) has the valid legal force equaling to the certificate printed on the paper and endorsed (made in writing and signed) by the person authorized for disposing the account.
- 6.1.4. The client is authorized, to register several persons as the additional user(s) of the internet banking, who shall be entitled to receive fully or partially the services envisaged by the present agreement. Furthermore, the bank is authorized to determine/restrict the list of operations to be performed by the additional user(s) in the internet banking and/or refuse the client to register the additional user.
- 6.1.5. The client shall be fully responsible for the operations performed by the additional user(s) in the internet banking.

6.2. Identification of the Client

- 6.2.1. In case of registering as an internet banking user at the bank, the client shall be assigned the USERNAME for using the internet banking service, the PASSWORD (identification data) shall be provided to the client at the mobile telephone number registered at the bank, by means of which the client is identified when accessing the bank's internet page. Client must, after receiving the identification data from the bank, log in the internet banking web page and change the password provided by the bank.
- 6.2.2. The client acknowledges that for the purpose to secure client's information and transactions, also for receiving/approving the bank product offered by the bank to the client via internet banking (among them, credit/deposit products), the bank is authorized to establish additional mechanisms/requirements for identification of the client. Among them, for providing particular type of services, request use of codes created (generated) by means of devices (Digipass etc.) issued by the bank to the client and/or other types of codes, without which the client will not be able to accept/approve offered bank product (among them credit/deposit).
- 6.2.3. The bank and the client are committed to secure the confidentiality of the identification data.

6.3. Rights and Obligations of the Parties

6.3.1. The bank is authorized to:

- 6.3.1.1. By means of the internet banking service make information available to the client on its accounts;
- 6.3.1.2. Under assignment of the client, perform transactions allowed by the bank in the scope of the internet banking service;
- 6.3.1.3. For the purpose of risk reduction, establish unilaterally restrictions to the active transactions of the client (transfers, conversions) and establish marginally acceptable parameters of such transactions (maximal amount of single transfer, maximal amount of totally transferred amount during particular period, maximal number of transfers, the necessity of approval of transactions of one user by another etc.)

- 6.3.1.4. Temporarily suspend and/or terminate the additional user(s) servicing right, if the client and/or additional user breaches the contractual term and/or the bank suspects that the client may fail to perform any of the imposed obligations.
- 6.3.2. **The client is obliged to:**
- 6.3.2.1. Keep secure any information necessary for using internet bank, document or device, password and the username, also respective Digipass device (if any) and its password;
- 6.3.2.2. Not to disclose the password and/or username to the third person, not to store these data on computer or any technical device, by means of which the client accesses the internet page of the bank;
- 6.3.2.3. In case of losing or disclosing password, device or any other code (among them in case they are obtained by the third person) the client must notify the bank promptly by means of communication determined by the present agreement on the basis of which the bank shall suspend internet banking service;
